

PRIDE SOCCER CLUB

PSC Creative Soccer and Skills Camp

Who: Girls & Boys, U8-U14
When: July 26-29
6:00-7:15pm

Fee: \$40 per player
Where: CW Middle School
7155 Parkview Dr.
Canal Winchester, OH 43110

The PSC Creative Soccer and Skills camp will be focused on improving individual moves to help create space from a defender in a 1v1 situation. It will also work on your child's creative thinking with the ball to help them continue their excitement for the sport of soccer. We will then be using those skills in a 3v3 format without cleats! Barefooted soccer will help the player's touch on the ball while also adding something different and new to increase excitement. Training sessions will be demanding and high in intensity in order to replicate the speed and effort needed in game situations. All sessions will be organized and led by PSC Staff Coach and Ohio Christian University's Head Coach, Josh Murton, with assistance from other coaches as needed.

Detach and mail below along with payment to:
Payments registration must be received no later
July 16th
